EPCO Recognizes Most Successful Representatives

Winners' Exceptional Performance in Sales and Service Categorized by Sales Volume

MINNEAPOLIS, Minn., April 28, 2008—Engineered Products Company (EPCO), a supplier of specialty lighting and wiring solutions, presented its annual sales rep awards at the NEMRA meeting in February. Recognizing that EPCO's professional representation is critical to its success and reputation for outstanding service, President Jack Schuster, said, "We know that our products are being represented by the most knowledgeable, professional organizations in the industry," he said.

The following winners excelled in criteria such as sales growth, sales-to-budget, gross margin % improvement, adding new customers, and participation in product promotions:

- Platinum Award — Lee-Noonan Company, Minneapolis, Minnesota.
- Gold Award — Perry & Associates, Omaha, Nebraska.
- Silver Award — Enhanced Electrical Sales, Houston, Texas.
- Silver Award — Lakeshore Electrical Sales, Milwaukee, Wisconsin.
- Silver Award — Emery Electrical Sales, Charlotte, N.C.
- Bronze Award — AERO Sales, Cleveland, Ohio; and RC Colerick, Baltimore, Maryland.

For more information about EPCO products or to locate your EPCO sales representative, call (800) 336-1976 or visit www.engproducts.com.

About EPCO

Engineered Products Company supplies electrical distributors with specialty lighting, lighting accessories, and wiring solutions that address a wide range of standard and unique applications. In addition to providing durable and reliable products, the Minneapolis-based company offers multiple configurations of products that meet a wide range of requirements. Known for its consistently reliable delivery and service, EPCO offers convenient shipping and no-risk, guaranteed-to-sell terms. Its sales representatives are the most knowledgeable and reputable in the electrical industry.
