

## TEMP POWER BLOCK AND POWER CORDS

Power up your job site with EPCO's Temp Power Block - the ultimate solution for safe, efficient, and portable temp power distribution.

EPCO's Temp Power Block is a heavy-duty, robust 50-amp temporary power box designed to deliver dependable power where and when you need it most. Featuring easily replaceable, off-the-shelf breakers and GFCI receptacles, maintenance and repairs are a breeze, minimizing downtime.

Beyond standard power outlets, the EPCO Power Block also incorporates integrated Type A & C USB ports, ensuring your cell phones and tablets stay charged and connected throughout the workday. Whether you're working on construction sites, outdoor events. Or emergency power setups, this unit is built to perform in demanding environments.
