

BUNDLED FIXTURE BRACKET KITS

8-FT BUNDLED FIXTURE BRACKET KIT

4-FT BUNDLED FIXTURE BRACKET KIT

BUNDLED FIXTURE BRACKET KITS FOR STRIP-LIGHT FIXTURES

Lighting is a significant component of your company’s annual operating expense. In fact, the average lighting system accounts for 24% of the building owner’s annual electrical budget. Engineered Products Company (EPCO) addresses the need to reduce energy expenses with our Bundled Fixture Bracket Kits for lighting system upgrades.

Your average cost savings for these Kits is 5-10% compared to purchasing single retrofit products. Expect up to 45% energy savings, significantly reduced electrical energy costs, and a short “return-on-investment” (ROI). These kits can quickly pay for themselves and become the optimal choice for future upgrades to your facility.

Designed for convenience, flexibility, and value, EPCO’s Kits eliminate the guesswork by delivering these distinct advantages:

- Single-Source Brand Solution (Excellent Supplier Relationships).
- Deliberate Design (Engineered as a complete upgrade solution).
- Multiple Installation Options.
- Bundled Package Pricing.

We offer six (6) Kits in 4-foot or 8-foot lengths that include:

- Dual or Single-End Powered Lampholders for direct-wire T8 LED bi-pin lamps.
- Pre-wired Fixture Bracket with supply line conductors and luminaire disconnect.
- 1/4 Turn Retainer Clips.
- 4.25" Wiring Compartment Cover.

— **Note:** A 5.0" Wiring Compartment Cover is available separately.

TYPICAL APPLICATIONS:

- Retail Buildings
- Warehouse and Storage Facilities
- Commercial Businesses
- Industrial
- Offices
- Schools and Universities
- And more...

BENEFITS FOR THE BUILDING OWNER AND FACILITY MANAGER

- Simple upgrade to an energy efficient lighting system.
- Upgrading takes 50% less time compared to installing new luminaires.
- Sustainable, ongoing energy savings.
- Uses your existing light fixture housings.
- Payback periods from 15 months to 3 years.
- Suitable for damp locations.

CONTRACTOR BENEFITS

- Labor and Time Savings!
- Expedites installation time by 50%.
- Minimal rewiring and recycling on the job site.

Includes 1-year warranty. For warranty information visit www.engproducts.com.
